## SLO VILLAGE

SLO Village is part of a nationwide movement addressing one of the primary concerns of seniors today—how to remain in one's home, and yet maintain an active and vital life.

## WHO ARE VILLAGERS

*We are your Neighbors!*

SLO Village is part of a nationwide movement credited as having "changed the culture of aging".

We are a mix of members and volunteers from all walks of life. Some of the volunteers are village members – utilizing the "neighbors helping neighbors" concept.

We discuss our favorite books, see the newest movies and attend museum exhibits. We volunteer to give rides, walk dogs, teach computer skills. and change light bulbs.

We are photographers, artists, lawyers, knitters, techies, parents, counselors, teachers, grandparents, trades people, brokers, doctors and business owners.

## VOLUNTEER OPPORTUNITIES

Our Village welcomes volunteers of all ages, talents and skills. Volunteers need not be members. Volunteer opportunities include:

- Direct services: driving, shopping, household tasks. pet care. and others
- Event planning, organizing, facilitating
- Office assistance, computer skills, public relations

Volunteers are matched with volunteer opportunities according to their individual interests and availability. We do not ask for set hours or time commitments.

Our volunteer training is focused on working with older adults and issues affecting them. Our volunteers are vetted—background and DMV checks conducted when appropriate.
